COURSE DESCRIPTION/SUMMARY

This qualification reflects the role of workers who assist teachers and support student learning in a range of classroom settings under the guidance of a teacher or other educational professional. At this level, workers may be involved in facilitation of learning for a range of instructional groupings, including for those students in need of additional support. In these roles, the education support worker sources and analyses information from diverse sources, may work with limited direct supervision and could provide guidance to other workers.

Education support workers work mainly with students in classroom settings in primary or secondary schools, as defined by State/Territory legislation.

To achieve this qualification, the individual must have completed a total of at least **100 hours of work** in a classroom environment catering to primary or secondary school students, within at least one school in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours

WORK PLACEMENT (Experience)

This qualification requires students to complete a minimum of **100 hours of work** in a classroom environment catering to primary or secondary school students, within at least one school in Australia as detailed in the Assessment Requirements of the units of competency. The total numbers of hours may be applied collectively across all units of competency that include the requirements for workplace hours and practical demonstrations.

*Note: Eligible students are required to complete a Police Check, Working With Children Check or Blue Card (applicable for their state/territory in which they will be conducting work placement). Any costs for these checks will be paid by the student. Students are advised that the National Health and Medical Research Council (NHMRC) recommends immunisation for hepatitis A, hepatitis B, and influenza (as applicable in accordance with local jurisdictions), prior to commencing any work placement. Students to check with their workplace on all or specific requirements for the centre

ENTRY REQUIREMENTS

The training package does not stipulate any mandatory entry requirements for the qualification delivered by this course. However, Australian College has certain admission criteria for this course. Prospective students must:

- Students should be a minimum of 18 years of age at the time of enrollment. Applications from students under 18 may be considered on an individual basis, with parental consent required for all students under 18.
